Additional Information

This form is an expression of interest only. Completion of this form **does not** guarantee enrolment into the school. All out of catchment applications are dependent on whether capacity exists in accordance with the criteria outlined in the School Enrolment Management Plan (EMP).

An EMP is in place for Arundel State School, with corresponding boundary catchment map ([edmap](#)). Visit the Department of Education website to view the [Arundel State School – School Enrolment Management Plan](#).

Other students who are entitled to enrol as in-catchment:

The following groups of students will be deemed as **eligible for enrolment**, even though they may reside outside the school's catchment area:

- Children and young people who are subject to **child protection orders** that grant guardianship or custody to the Chief Executive Officer of the Department of Communities, Child Safety and Disability Services (Child Safety Services).
- **Siblings** of current students (ie. current student **must be** enrolled at the school in the year the applicant is applying for).
- Students whose parent or legal guardian is **employed by the school**.
- Students who have been **excluded from a school** other than this school, dependent upon the conditions related to the exclusion, as determined by the Regional Director.

Out of catchment Enrolments:

Enrolment of students from outside the local catchment area will be managed to ensure that the total current and forecast enrolments do not exceed the school's current capacity and, where applicable, will ensure there is an even spread of students across year levels or class groupings.

Decisions on Enrolments

The Principal is responsible for all decisions on enrolments.

Where a Principal forms a preliminary view that an application will not succeed, parents will be notified via email.

Parents may respond to the Principal's preliminary view by making a submission to the Principal, no later than seven school days after receiving the preliminary view letter.

If no submission is received, the Principal's preliminary view will be treated as the final decision and no further notice will be provided.

If a submission is received, the Principal will consider the submission and make a final decision. A final decision notice will be provided to the applicant as soon as is practicable. There is no internal review of the Principal's decision.
