The uniform requirement at school-based events outside school

TASS uniform policy requires students to wear an appropriate uniform at school-based events outside the school. As a guideline, this would include:

- For choir and band performances - band & choir uniform

Loan Uniforms

Loan uniforms are available for students whose uniforms become unwearable during the day as well as to those who do not comply with the uniform requirements.

Administration of the policy

There will be a two-week period of grace at the beginning of the school year to allow for any late purchase of uniforms. Students who are out of school uniform for any legitimate reason should bring a note to the office. Students will receive a uniform "exemption" green slip. If students are frequently out of uniform, a note will be sent home advising parents of the school policy.

ARUNDEL STATE SCHOOL HAIR POLICY
